Subject: Slight bump during reversing at Blk 233 AMK Ave 3, car park.

Dear Hsiao Tong,

Very sad to hear we have Singaporeans who are so petty. My wife reversed her car to park and very lightly bumped into another car. She looked at the car and there were no visible damages. Her car too had no visible damage. The owner was not around for her to apologise. So, unknowingly, she drove home.

Yesterday, I drove her to the Police HQ to lodge a Police report (Report No. T/20210715/2022).

Shall I send you a copy of the report.

Thank you.

Teh Leong Thian.
