Describe Circumstances:

On Wed, 30 June 2021, about 4 am while I was sleeping, I was woken up by a call from my second son Brandon Ow. He called to inform me that he had taken my car key and drove my car without my permission, and crashed into a small drain at old upper thomson road. Immediately, I requested my husband George Ow to attend at the site while I stayed at home as I was feeling rather shaken. Both of us were not aware and didn't give our consent to allow Brandon to drive the car because he doesn't have the license. Neither has this happened before.

George reached the site at about 4.30 am by taxi. TP were seen at site and carried out their interview with Brandon and inspection at site. TP was in-charge when George arrived. Brandon has admitted his wrong doing that he drove the car without our consent and declared the event to the TP. At about 6 am, the car was towed away by TP. He was charged under "Bond and Bail Bond", attached, and is currently on bail. Please refer to the TP for details.

Both myself and George were shocked with the event and hereby declaring our innocence to this event. We only learnt about the details of what had happened after George arrived at the site. At any time, I/we have not permitted Brandon to use my car.

George made an accident report at the Premium Automobiles office at about 8.30 am. Hereby filing this claim as attached.

Car Review - Audi A3 Sedan 1.4 TFSI S-tronic Ambiente (A)

The Audi A3 sedan looks smart inside and out, drives exceptionally well and is positively frugal, distinguishing itself from the rest in its segment.

The Audi A3 Sedan was facelifted on Mar 2017.

Read our review of the facelifted version.

The Good

- » It makes you look unique
- » It's well-mixed in practicality and style
- » You can door-handle it like a madman and feel rewarded

The Bad

- » Not as frugal as the Sportback
