Sketch Plan

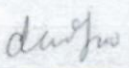

Describe Circumstances of the Accident

I was entering the roundabout outside DCBC Aquatic Centre and I needed to take the first exit on the left onto Stadium Road. I was in the inner lane of the roundabout and saw there was a car behind me to my left. I thought the car was turning onto the same exit as me, as there were two lanes for that exit. I started to turn to the left and the car continued going straight, which led to an accident. The front left portion of my car hit the right back door on the right side of the other car.

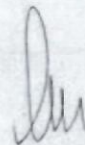

Declaration

We declare the foregoing particulars are true in every respect.
