**Brief Details.**

On 09/07/2021, at about 0940hrs, I was driving along Moulmein Road. I was stopping at the junction of Balestier Road and Serangoon Road. I was at the first lane of the road, and was turning left to Serangoon Road, as I am driving to CTE.

While my car was stationery at the traffic light, I felt a hard banging impact coming from the rear of my car. I then went down to make a check and noticed that a yellow in colour taxi (SHB2989D) had knocked onto the rear of my car. We then exchange particulars and photos of the accident was taken.

After the accident I felt pain at the back of my body and went to consult the doctor. I was then given 3 days of medical leaves and was advised to lodge a police report regarding the accident.

I wish to state that during the accident, there were a male passenger and a baby inside my car.
