Brief Details.

On 10/07/2021, at about 11.10am, I was driving my car (SMY4606R) along Orchard Turn when suddenly I heard and felt an impact originating from the left side of my car. I stopped and alighted to find out what had happened; I discovered that a taxi (SHC4571G) that collided head-first onto the left-middle side of my car. The taxi SHC4571G intended to turn into the road from the left but had impacted the left of my car instead.

I suffered strain at the back of my neck but I am not sure of the injuries sustained by the taxi driver. My car suffered long dents and scratches at the left side of my car while the taxi suffered a detached front licence plate number as well as scratches on the front bumper.

Initially, the taxi driver offered to do a private settlement between us, but after exchanging particulars, the taxi driver accused me of being in the wrong. No government property or pedestrians were involved in the accident. I am lodging this police report for recording and insurance as well as Traffic Police investigations if required.
