So on 24th Jun, I was involved in an accident happening along 111 Defu Lane (near Hougang storhub self storage), the process of the accident happened when I have the intention to filter out from the 3rd lane to 2nd lane, in the process I signalled my intention awaiting for car to pass before filtering out. However the unforeseen accident happened when 1/3 of my vehicle is out and the behind vehicle started honking me, he swiped his vehicle to the first lane and intentionally swirl back in trying to overtake me and hit the left-side of my vehicle.

POLICE REPORT (NP299)

CONTINUATION OF REPORT

Report No. F/20210713/7056

We pulled over at the side of the road and were trying to argue who was right and wrong. His argument was that I shouldn't filter out of the lane so fast, and I did mentioned that I did check and I feel that there's enough space for me to filtered out, but the problem came as he did managed to filter out to the first lane and he intentionally swirl back his vehicle to try to cut over me(driver's ego I guess) which causes the accident.

End day, he did offer to pay for my bumper damages(I guess he knew it was his barbaric action that causes the accident).

Feeling that he was remorseful and I thought he knew that it was his fault and decided to let the incident to rest, I told him that I do not need him to pay for it as I've to replace my whole bumper as a whole even before this accident due to previous damages.

We concluded this whole accident will come to a close, settling our own car damages.

July 1st, I return my rented van to my rental company and he told me that the bang not only affected my bumper, but the top of bumper, incurring an addition repair cost of \$200 concluding the whole replacement of bumper to \$542.4(excluding workmanship)

Today, 13th July after so long since the accident, I've receive a call from my rental company saying that the guy filed an insurance claim towards me/rental company.

I'm feeling very unjustified in how barbaric this behaviour can be, as right now I might face an insurance
