Brief Details.

On 11/07/2021 at about 0030hrs, I was driving my vehicle SMK4708D along Ang Mo Kio Avenue 8 towards a junction turning to Ang Mo Kio Avenue 1. I wish to state that at the point of time, the traffic light was green, I then came to a stop to check if there was any on coming vehicles before I made my right turn. I wish to state that there were no vehicles going straight towards my direction but there were a few stationary vehicles that was waiting to turn diagonally opposite me.

It was when I slowly release my accelerator and I saw that there was another on coming car that drove at high speed. I did step hard on my break to avoid the collusion but the car still hit onto the front right side of my vehicle SMK4708D.

I wish to state that there were Traffic Police at scene which they took my particulars and later on, I was then conveyed to Tan Tock Seng Hospital.

I was discharge on 11/07/2021 at 0411hrs and was given a 3 days MC.

I wish to state that on 11/07/2021 at about 1109hrs, I called up the Traffic Police which I then clarified what I should do next and the brief details on what happened during the accident. The officer then told me that I am most likely liable and I would need to come to the nearest police station to lodge a police report. I wish to state that the other vehicle plate was SMC9820X when I went back to watch the footage that I had recorded using my phone after the incident.

I am also lodging this report for insurance claims.
