COVID-19 has severely impacted international movement of people and goods as countries implement additional border controls and restrictions on international travel. As a result, airlines have drastically reduced international services, leading to a significant reduction in air freight capacity and frequency to and from Singapore to all international destinations. Please note that shipments to and from overseas will result in substantial delay, even as we work round the clock with our partner airlines and posts.

Enjoy up to 3% cashback on eligible online and retail spend with the Spree Credit Card.
