Hi Jaslin

Thank you for your email.

I am writing to inform you that there was no accident at the site.

My daughter was parking the car by the side of the road at a residential estate Penhurst Place on Sunday 18 July 21 around mid day as she was heading to lunch at the shops near there with a friend. She found a parking space at Penhurst Place. It was a parking space behind a white car. While parallel parking behind this white car, she noticed that the driver was waiting for her to park, and did not move away to provide her space to park, even though there was space in front of the white car.

Once our daughter had parallel parked the car, the driver of the white car then drove away.

Our daughter remembered the situation because her friend, whom she was meeting for lunch that day, subsequently drove by to take the parking space vacated by the white car.

Only upon receiving the email notice on 4 Aug 2021 from you and LKK Auto did I realise that the white car had made a 3rd party claim against me. And that the white car had the license plate number SCQ 9780Y. I was very puzzled, and worried as our daughter did not recall being in any accident or having anyone stop her to exchange contact details as would be usual in an accident.

I tried to seek help to dispute this claim as we have no evidence of the accident as this email alarmed us all very much and made us very anxious.

While searching the internet for help on this process, and looking up SCQ 9780Y I found videos and reports of unsafe driving by SCQ9780Y on public forums and websites. It made this claim even more suspicious and worrying. These are the information I found.

<https://www.youtube.com/watch?v=4yEBbLVPZM8>

<https://www.facebook.com/SGRVigilante/videos/28dec2019-lpc-to-cto-ext-aud-a4-scq9780y-cul-over-the-chevron-marking-and-near/750799095406573/>

It seems that this car has been reported for unsafe driving by members of the public on public forums.

In this case, as we do not recall there being any supposed accident, I would like to request proof of the supposed accident.

I am concerned that an unfair 3rd party claim has been made against me, and that it will affect my NCB. I have enjoyed many years of good record with my auto insurance and this is very distressing. I worry that the driver of SCQ 9780Y is using this opportunity to claim for previous damages sustained in other situations.

I will try to report this via the website per your advice.

Meanwhile, I'd be grateful if you could advise what will be the next steps and whether my record and my NCB will be affected, and what action will be taken with driver or owner of SCQ9780Y.

Thank you for your help.
