Brief Details.

On 27/07/2021 at about 1530hrs, I was riding my bike (JRN470) along Geylang Road, near Lorong 25A Geylang. I was travelling straight on the extreme left lane. As I was travelling, a car (SMT338S) suddenly came from my right and cut into my lane. Hence, I did not manage to avoid in time and I collided to the side of the car, near to it's left front headlight.

As a result of the collision, I fell from my bike. The driver then came out of the vehicle and check whether I was alright. I was conscious and I am able to stand up on my own after checking on my injuries to my hand and legs. Both of us took photos of the scene. Not long after, ambulance and police ref G/20210727/0117 came down to scene. Ambulance made a check on me and I was not required to be convey. Traffic police interviewed both of us and require for us to go down to the police station to lodge a traffic accident report thereafter.

After the accident, I went to see a doctor at Intemedical 24 Hr Clinic located at Blk 525 Ang Mo Kio Avenue 10 #01-2407 and I was given 3 days of MC. I suffered abrasions to my both elbows, left toe and right leg.
