**SKX4505C Police Report**

**Brief Details.**

On the 15/07/2021 at about 0853hrs, I was driving my vehicle (SKX4505C) at Ayer Rajah Expressway (AYE) towards Clementi Ave 6. I was driving on the third lane of a four lane road with the fourth lane turning left only.

I wanted to filter lane to the fourth lane. While I was filtering lane, a motorcycle (FBS2519J) which was parked at the road shoulder moved off and my vehicle side swiped his vehicle. He fell off the motorcycle and I stopped my vehicle at the side of the road to make a check on him. I called the ambulance for him as he informed he requires ambulance. When the ambulance came, they make a check on him and assisted me to call Traffic Police. I waited for Traffic Police to come. My vehicle suffered damages on the front left side.

The rider was not conveyed to any hospital. The Traffic Police took down our particulars and all left. I also managed to exchange particulars with the rider. The rider superior also came and I managed to get his contact number instead of the rider. The contact number of his superior (Thomas) is 92372094. I wish to note that I am not injured. I wish to note that I do not have the report number for the accident.
