Brief Details.

I parked my vehicle (SMF4836T) at the basement 1 MSCP of Tampines Mall and I sent my daughter to the YAMAHA music school.

At that point of time there was no vehicle parked behind my vehicle when I left the car park.

After I came back to my vehicle and realized that veh "B" (SLM4671B) was parking at lot 198 out of the parking slot white box line and sticks to the rear portion of my vehicle.

I was waiting for about 5-10 minutes and veh "b" (SLM4671B) came back and I informed her of this matter.

Firstly, she apologized to me then she made a call , after finished her call she came back and told me that she was not aware of this incident.

I request to exchange the particular and she refuses hence I had no choice and called the police on the spot and the police attended the scene.

Traffic police gave me the vide report no G/20210803/0167 and same to veh "b" (SLM4671B) as well.

Veh "b" (SLM4671B) only willingly gave me her contact number 90567550 with her name Hellen Manning and left the scene.

There is CCTV in the carpark and I request from the management that unfortunately due to privacy they are unable to enclose the CCTV footage to me and advise me to file a police report for the police officer to obtain from them.
