CONTINUATION OF REPORT

Brief Details.

On the 5th of August 2021 at about 0815hrs, I was driving vehicle bearing plate number SH8958S along South Bridge Road. I was at the cross junction of South Bridge Road X North Canal Road and was driving straight on the first lane when suddenly vehicle bearing plate number SML5499U which was driving on the second lane, wanted to make a right turn and hit onto the left portion of my vehicle. The said lane is only meant for vehicles going straight.

No one was injured at that point of time.

My vehicle had some dents on the front left portion near the tyre and its left side view mirror broken. The other party had some dents on its front right bumper and its right view mirror dislodged

No ambulance or traffic police were at scene.

I then went to the clinic as I felt pain and numbness on the back of neck, shoulder, arms and legs and was given 3 days MC from 05/08/2021 to 07/08/2021 (MC no: MC2108052308).

The contact number of the other driver is 90587605 and 96474936, claiming to be the employer has contacted me.

My vehicle has an in-car camera installed.
