Dear Mr. Ang,

I refer to our conversation on 1 Oct 2021.

2 SCDF investigations are into the *Origin* and *Cause* of fire, which in essence, refers to 'where the fire started' and 'what was the ignition source' respectively. We do not probe into liability nor apportioning of blame.

3 Kindly see below the steps for purchase of the detailed fire report.

a. The Fire Investigation Report (SCDF/ /20210724/0737) can be made available to you at a cost of Five Hundred and Forty-Five Dollars (SGD 545.00), inclusive of GST.

b. It can be applied online through SCDF e-services website (<https://eservices1.scdf.gov.sg/fisops/SCDF-ESERVICES.action?app=EPAYMENT>), click "Next" and proceed to select "6. Miscellaneous Payments". The payment for the purchase can be made via GIRO, credit / debit card or internet direct banking (e.g. eNETS). During the application, we seek your assistance to furnish the following information:

Reference No.	20210724/0737/1
Description of payment	Report to be mailed to: Name: Address:

c. For payments made via GIRO (applicants with existing GIRO account with SCDF), the GIRO deduction will take 14 working days to be processed. The applicants may visit our website at www.scdf.gov.sg/home/e-services/fire-ambulance-reports for more information.

d. The preparation of the requested report will commence after receipt of notification from our Finance Department on the successful deduction of the fees.

4 You may contact us at 6848 3345/3349 for clarifications.

5 Thank you.

Best regards,

Cindy Han

Hi June

We met the other day at your office together with AXA's representatives to view the photos of the above mentioned vehicle.

Regarding the full fire report, I went to SCDF website but could not find any link that leads to purchasing the detailed report online.

For your advice please.

Best Regards,

Bryan Ang
