Brief Details.

My vehicle was parked stationary along the lane outside my office (67 Tuas View Loop, S637710). At around 11.30am I heard a loud sound and I look out of my window. At that moment I saw a rubbish truck driving off and the front side bumper of my vehicle was hit and damaged. The passenger side of the bumper was dislocated and the front left side body of the engine compartment was also dented. The rim of the front left wheel was also damaged. The vehicle just drove off and I could not get any vehicle licence plate number.
