Brief Details.

On 15/8/2021 at about 1615hrs, I was driving my vehicle SNB9119G along Stevens road. While I was at the junction wanting to turn left onto Bukit Timah Road, I noticed someone wanting to cross the zebra crossing from afar as such I slowed down and eventually came to a stop to allow the pedestrian to cross. After coming to a complete stop, another vehicle (SMT1339H) suddenly collided into me from behind.

I then got down from my vehicle and we exchanged contact details and the driver told me that he did not notice that I came to a stop therefore colliding onto me. We also agreed to go through our insurance to claim for the damages.

On 16/8/2021, I woke up feeling pain in my neck, shoulder and rib. As such, I decided to see a doctor and I was given 5 days MC (MC ref no: 19510).

Therefore, I am lodging this report for police assistance.
