**Brief Details.**

On 08/08/2021 at about 0730hrs, I parked my motorcycle V1) FX8596Y opposite No. 15A Sunview Way along the straight road. Everything was seen intact when I left. On the same day at about 1900hrs, I went to retrieve V1 after reporting off from work. I realized that the position of V1 was slight moved. At this point in time, I suspect that someone had knocked down my bike. I removed the bike cover and discovered that the left and right side was damaged. I decided to give it a ride to check for damages. After riding for a distance, I realized that the braking system is faulty and the bottom of the bike almost touches the road when I was riding through uneven road.

I went back to my company located at 15A Sunview Way to view the CCTV and the footage revealed that at about 1425hrs, my bike was knocked down by a white bus V2) PC7561X and my bike was also driven over by V2. After knocking down my bike, the driver of V2 alighted from his bus and bring my bike up and left without leaving any details or particulars on my bike.
