Brief Details.

Incident happened near Commonwealth Avenue West after BLK326 carpark.

I was at right lane and prepared to filter lane to center lane as few vehicles in front of me waiting to turn right. I signalled, checked blind spot was clear and verified there was upcoming vehicle on center lane from behind. I moved to the left slowly. When my car almost on the center lane, I straightened my steering wheel and ready to move forward. Suddenly, a fast vehicle cut into my lane and hit my front left head light and brushed through my Vehicle. Understood the Vehicle SJC3765Y just exit from BLK326 carpark and turned into my lane which resulted the incident.

Myself and the other car driver came out to check the condition of our vehicle and confirmed there wasn't anyone injured from the incident. Both of us agreed to move our vehicles to nearby carpark to exchange our particulars.
