Hi,

I agree that I have been careless and accidentally revised into SJJ6118J which is parking at rest. My right bumper may have touched the left front of his car. It was early in the morning and quite dark. At the time of the incident, we did not noticed any damage. We exchanged contact detail and I told Kok Wei that I would be happy to compensate for damages (if any).

Could you pls let me know the damage to SHJ6118J. I would like to consider paying out of pocket instead if damage is not substantial.

I have attached photos of the back of my car for reference as well.

Pls feel free to contact me at 9761 9197.

best regards,

Gary
