New Appointment

Dear Sirs,

We have a incident which occurred at our Insured's project site at 2 Woodlands Industrial Park D Street 2 on last Friday 27 Aug 2021 During the course of their works, our Insured damaged an underground water pipe and debris projected from this incident caused damage to 6 cars, 1 supply bus and canopy glass.

Since then, the third party vehicle owners had approached the Insured and our appointed loss adjuster from McLaren for claim/repair to their vehicles. On our end, we have received one request for a pre-repair survey

Given the above, we wish to appoint LKK to survey the damaged vehicles involved in this incident on a without prejudice basis. Please liaise with the loss adjuster (cc in this email) to proceed with the assessment

Please acknowledge this email and keep us and loss adjuster updated on the survey.

Thank you and have a great Tuesday.
