Brief Details.

On 19 August 21, at about 1845 hours travel from Thompson Rd into Whitley Road to enter Pan Island Expressway (PIE). The traffic was slow moving. My motor vehicle SGJ 5116G entered the 3rd lane of the PIE. After I joined the PIE, the vehicles were moving at very slow rather snail phase. To my left was turning lane for traffic going to Whitley Road in the direction of Steven Road. While my car was keeping phase with the traffic for about half minute. All of a sudden there was a strong impact to the rear. My car was thrust forward from the impact, I was thrown against my steering. Before I could recover from the sudden impact and shock there was another impact while I was trying to look back. Then my car was pushed further and the impacting Prime Mover with large trailer did not seem to apply the brake. I felt someone was doing it deliberately. After pushing and impacting for about 50 seconds the Huge Lorry/ Prime Mover stopped. I got down with my handphone in Video mode. I asked the driver a Malay Gentleman why he did what he did causing serious damage. The whole of rear booth was smashed in. He said he was looking to his rear and did not

Notice my car. He did even know that he has crashed into my car. He was sorry and panicky. So I related and asked him to confirm the cause of accident for me to record the facts and factors causing the collision.

We did not want to block the traffic, so we quickly exchanged particulars, then went to the point where he crashed into my car to recover the Lorry's front number plate for me to record the Lorry Registration Number. He said it is his company Lorry and it is registered in Johore Bahru.

The name of driver Asnan Bin Ag Selamat holder of Malaysian identity card no. 780706-12-5439

The offending Lorry number BLB 6028 and attached trailer T/JA 1832.

I told him not to worry but to contact me and provide his company and the Lorry's Insurance Details. He promised to come on Saturday to complete reporting formalities in Singapore.

CONTINUATION OF REPORT

The rear tyre were not jammed. So I drove slowly to the Whitley Road, turned into Bukit Timah Road and stopped beside Steven MRT in the Pathway that enters into the school, Singapore Chinese Girls School. As the traffic flow was not heavy, I slowly drove the car to my carpark at Farrer Park Road with the hazard light switched on.

I felt a little disoriented immediately after impact but was able hold myself and deal with the situation. I felt a little dizzy and general pain over the neck, both shoulders

And lower back. I came home had some food and took two Ponstan pain killers and laid down in my bed for about two

Hours, after which I took a taxi to Raffles Hospital. The doctor ordered various x-rays and scan. I stayed for about three hours and I was told by the doctor that some clinical aspects has been outsourced and there will be delay to get results. I was given the option to go home and the doctor promised to call. I was given pain killers and five days medical sick leave.

This morning I had general discomfort and pain along the same areas of the body. I took the prescribed pain killers and that has been quite relief.
