Brief Details.

On 25/8/2021 at around 1740hrs, I was riding my bike (FBK6894R) along Cantonment Road. The traffic was moderate heavy around that time. I was riding at around 40km/hr to 50km/hr. The road was dry and it was bright. It was a 4-lane road. I was travelling on lane 3. I was riding straight and after past by Hoe Chiang road which is on my left I saw a grey motorcycle (FBS5838T) coming out from cantonment link cutting from lane 1 to lane 2. Lane 1 is a right turn lane. Lane 2 is a proceed straight or turn right lane, lane 3 is a proceed straight lane while lane 4 is a proceed straight or turn right lane. As I was proceeding straight, as soon as I was about to reach half of Lim Teck Road entrance which is on the left, the grey motorcycle (FBS5838T) make a sudden left turn to enter Lim Teck Road and I collided with the motorcycle front left side area.

After colliding, I wobbled on my bike before I skidded to the 4th lane and ended up before the bus stop along cantonment road. Some passerby helped me get the particulars and soon after I was conveyed to Singapore General Hospital by ambulance. The details of the rider of the grey motorcycle as follow:
Name: Quak Shi Cheng
NRIC: S9719229D
BIKE number: FBS 5838T
