**Brief Details.**

I am lodging this accident report on behalf of my brother Ho Yong Siang Fin:F7746808X, who had just been discharged from hospital and is unable to lodge a report by himself due to his condition after the accident.

Siang told me that on 30/08/2021 at about 1845hrs, Siang was riding his Red Motorbike (JGJ4651) along PIE (Tuas) on lane 2 after the exit of Steven Road when there was a car (SJN214H) which was from lane 1 suddenly cut into lane 2. The car was trying to avoid colliding with another car at the front by shifting into lane 2 without being aware that Siang was there. As a result, Siang motorbike collided with the left side of the car and fell to the ground. Ambulance attended and Siang was conveyed to Tan Tock Seng Hospital to get treatment. Siang suffered fractured right collar bone, abrasion on the right shoulder, abrasion on right waist, abrasion on right toe and a portion of the right pinky finger has to be removed
