Brief details.

I was driving along Kaki Bukit Road 3 after leaving my house at Bedok Reservoir Road towards Bartley Road East. I was in the second lane and stopped just before the yellow box junction (outside Empire Technocentre) as the turning lane to Bartley Road East was packed. Time was about 1628 hours according to my video cam. Suddenly a truck hit the back of my car and my wife and I was thrown forward but the safety belt was intact hence did not suffer any injury at the moment. The driver (Mr Khoo Eng Ching - License S6938699G) of the truck (GBA 850J) came out of his truck and asked to settle

privately and to send the car to his workshop for repair. I told him that I will decide after consultation with someone and we exchanged contact number as well as took picture of each others driving license. After we have exchanged information, a young man who have been standing by the side of the road step in after we have finished our conversation and offered to help and handed me a card and asked me to go to the said workshop for repair and offered me a Mercedes for use when the car is in the workshop. I told him I will contact him if I take his offer. After that Mr Khoo called me again and again offer to get his workshop to repair until I am satisfied. Told him that I will contact him if I decide to use his workshop. I wanted to make this report to ensure that they do not harass me in the future as they have copy of my driving license and also to claim 3rd party insurance. Thank you
