accident

Describe Circumstances of the Accident

A blue Honda has been driving fast & tailgating all vehicles in front of him very closely - I had been observing this when I was exiting from the junction to PIE from the back mirror. When he was tailgating me on PIE at lane 1 I switched to lane 2 to give way to him. He then switched to Lane 2 too, and was trying to switch to Lane 3 as the traffic in front was slowing down, as there is an accident happening about ~300m away, at lane 2.

It came to a sudden halt for car in front of me, and I stopped accordingly too. The blue car behind me, whilst trying to ~~to~~ swerve to lane 3, hit my rear (left) & also hitting the side of a pick-up truck on lane 3.
