Subject: RE: Survey Report & Invoice of Vehicle SLQ 2810J NTUC Ref: MT/1145097-002

Hi Veron,

I checked my survey photos again, the tailgate was as back as my photos. Although the ws photos were not so clear, it was clear that there were damages to the tailgate, probably dented but the paint works did not cracked off as my survey photos, therefore not consistent. Whatever it was, the tailgate was slightly dented and require panel beating and a fresh coat of paint only.

Best Regards,

Dear Mr Lim,

Please assist to check if this is consistent to the damages when it was being surveyed.
