Dear Gabriel,

Kindly refer to the email from third party repairer which is self-explanatory.

For parts, third party would like to negotiate for 15% discount.

Please advise. Thank you.

Hi Gabriel,

We refer to our mandate request for this matter.

According to surveyor, the year of registration of third party lorry is 2021 and the parts were not available in Singapore. Third party repairer needs to indent the parts from oversea and the parts discount given is only 10%.

Please review and advise your mandate.
