### Brief Details.

I was sending my son for his swimming lesson while approaching Block 700A car park exit. Out of a sudden, a vehicle came out from the stop line without checking for oncoming traffic. I realized that when I tried to e-brake and horn, it was to no avail. I ended up colliding head on with the vehicle and mounted the central divider.

After the accident, we went to consult a doctor at Intermedical Kovan. My son and I were both given medical certificate. I was given 4 days and my son was given 3 days MC.
