Sketch Plan

Describe Circumstances of the Accident

On 20 September 2021, at about 18.00 hours, I was driving along International Business Park Road towards Acer Building. There was a white Nissan van, GBC446T, was parked at the left side of the road on the double yellow line. The driver was away on a delivery at that moment. I was doing a lane change when my vehicle, SGN16915, collided on the side of the other vehicle. I was avoiding the exiting vehicle but did not rotate the parked vehicle on the side of the road.

I was doing a lane change to avoid GBC 446T on the left and still collided to the GBC 446T due to the impact force the car flip.

Declaration

We declare the foregoing particulars are true in every respect.
