Brief Details.

On 17/09/2021 at about 1420hrs, I parked my silver Toyota car bearing registration number SLG 9097 H at the open-spaced carpark behind Blk 538 Bedok North Street 3 market and Blk 537 Bedok North Street 3. I left my car to go to the hawker centre. Upon returning to my car, I discovered some damages at the front bumper of my car. An unknown male Chinese in his 50s approached me to inform that another car had reversed and hit onto the front bumper of my car. I then checked on my in-car camera and it last recorded one silver Honda car bearing registration number SGS 3702 E reversing towards my car and then my camera suddenly stopped recording. I went around the carpark and found the said Honda car parked a few lots away at the same carpark. It had some damages to its rear bumper. I had taken photograph of the rear bumper for my own record. I tried waiting for the driver of the said Honda car but it left without me noticing it leaving.
