Hi Sundari,

We spoke on the above matter this afternoon.

As spoken, we do not have any video footage for this accident.

We understand from you that the Third Party rider and pillion rider sustained injuries. Thus, we will forward a copy of the PIR to you upon receiving it from our mutual client's hirer in due course.

According to our mutual client's hirer, a Tout approached him immediately after the accident. However, after our mutual client's hirer rejected the offer, the Tout approached the Third Party rider and pillion rider subsequently.

We will update you on any developments in this matter.

Regards,
Johnson Chua
