Brief details					

I am reporting a road accident involving a 5 car collision (I was the 4th car) on 30 September 2021 at about 1805hrs along AYE between Exit 8 and 9. I have some concerns about the conversations from the fellow motorists after the accident.

At the time of accident I was driving along Lane 1 at about 70kmh where it was raining with heavy traffic after Exit 7. I noticed the EMAS sign stating there was an accident in front on the outermost slow lane.

After Exit 8 I noticed the red Mazda in front of me braked and stopped along with 2 other cars further in

front. I tried to brake but the car skidded and did not manage to stop in time and hit the rear bumper of the red Mazda (SMX6173P). Another car hit the rear of my car.

I alighted and checked the condition of all the other drivers and passengers of the 5 car collision. All were walking and in good condition. I noticed a heavily pregnant lady with a young boy seated at the rear of the car I struck. The bumper was badly dented but there was no obvious damage to the interior. I asked if they and the driver were okay, and they said they were all fine. All were walking and fully alert and well, and the family told me they would be checking the pregnant lady into a clinic for evaluation as a precautionary measure.

About that time one of the motorists approached me and told me that he runs SpeedWerkz Pte Ltd and suggested I go to his workshop for repair. I noticed he approached the other drivers as well.

After the incident, I received a call at 1941hrs from an English speaking male h/p number 98487171, claiming to be the driver of the car (SNB1258R) behind mine. He mentioned that one of the drivers of the first 2 cars spoke to him thinking he was the driver of my car, advising him that they would all lodge a report against the last car (5th car). The driver of SNB1258R kind of warned me that he has a camera recording.

That is all.
