**Details.**

On 02/10/2021 at about 2040hrs, I was driving my vehicle bearing registration number SLD6572M. I was driving along East Coast Road on lane one and came to a stop to make a right turn to Still Road (Marine Parade). After the vehicle that was in front of me made a U-turn, I moved my vehicle and moved forward to have a clearer view of the on coming traffic from the opposite direction. As I was inching my vehicle forward, a motorcycle bearing registration number FBN6687G from the opposite direction collided onto my vehicle front right portion. As a result, the rider fell on his left onto the road.

I immediately came out of my vehicle to render my assistance and helped to carry the motorcycle up to the rider. Both the rider and I then decided to shift our vehicle to the side of the road to avoid causing obstruction to the traffic. I then spoke with the rider who informed me that he was travelling straight along East Coast Road towards the junction of Still Road and as he was approaching the junction, a vehicle (232R) from the opposite direction had abruptly turned out to make a right turn. The rider had then moved to his right and braked to try to stop to avoid the vehicle and as a result collided onto my vehicle front right portion.
