Brief Details.

On 01/10/2019 at about 1200hrs, I was inside warehouse 24 Jurong Port Road. The other lorry was in the loading bay and I parked beside it while waiting for the lorry to finish loading. When he was done, the other driver then drove out towards the right and I then drove towards the left into the loading bay. Suddenly the other lorry hit onto the rear right side of my trailer. I was not sure how or why the other driver could hit onto my trailer as the vehicle in the bay was supposed to exit towards the left. There were no injuries to both parties. There was no damage to my vehicle.
