Describe Circumstances of the Accident

As Attached

Declaration

We declare the foregoing particulars are true in every respect.

Policyholder's Signature / Date & Time

Driver's Signature (If driver is not the policyholder) / Date & Time

Witnessed by Reporting Centre Personnel

On 09/10/2021 Saturday around 14:00, I was driving along PIE Exiting into BKE Woodlands driving along the bent entering the slip road to BKE. There were two Malaysian registered lorries on the main lane.

I overtook the rear lorry to filter into the expressway, following a taxi Infront of me while keeping a safe following distance. After the taxi had filtered, it was my turn to filter. In front of me, driver of Toyota Harrier SLR6983L slowed down, presumably to leave the lorry pass before accelerating to filter in, I stepped on my brake to slow down but SLR6983L decided to stop abruptly even when the lorry had passes and she had ample space to filter. I floored my brakes but couldn't stop in time and curved in my vehicle to the left hoping to avoid hitting SLR6983L but my actions had failed avoid a collision.
