Brief Details.

On 08/10/2021 at approximately 3.45pm, Muhammad Yusri bin Mohd Yassin was riding my motorcycle FBK7656E on Tampines Ave 5. I stopped at the first junction on the second lane to the right due to the traffic light turned amber to red turning to the right to Tampines Ave 2 when I was hit from the back by Driver, Han Tek Fong driving SMS6263P. My bike was launched to the front, I fortunately managed to avoid from being launched forward to the crossroad of the junction. I got off from my bike shaken and injured by the incident. The said driver when out of the car and insisted on moving to a safer location despite me saying that myself and my bike are not fit to ride. The said driver then drove off leaving me all on my own. Being extremely confused, shocked and all on my own I rode with my damaged bike and injured self and found the said driver at the nearest bus stop of Tampines Ave 2. I called the police to report the incident and was conveyed by the ambulance to Changi general hospital for my injury
