## CONTINUATION OF REPORT

**Brief Details.**

On the above mentioned date, time and location, I went over to make a delivery to one of the shops at the location. Upon entering the premises, I parked my van at the entrance as I wanted to check into the premises. My van was in good condition at the time. However, I was not able to check in using my TraceTogether token, as such I went back to my van to take my phone. While I was doing that, I saw a lorry reversing out of the premises. I did not pay much attention to the lorry and proceeded back to do my check in. After checking in, I went back to my van and drove inside to the loading/unloading bay. After parking and alighting my van, I saw that there were dents and scratches on the front of my van. I did not recall having any accident prior to this, as such I talked to the security officer.

They informed me that they have a CCTV footage of the incident, however they were unable to show me the footage without approval from their supervisor. I then contacted my manager with regards with the incident, who then spoke to their management. After awhile, they sent me a video footage showing a lorry (registration number YP5824B) was reversing. The driver was not able to see my van, as such he collided into my van. The driver then drove forward again, before reversing the lorry on the other lane. The driver also did not stop to wait for the van's owner to get the particulars, and just left the place. My manager then advised me to lodge a police report with regards to this and I acknowledged.

I am lodging this report for my management's follow up actions.
