Circumstances of the Accident

On the stated date and time, I was driving along Serangoon Garden Way towards Yio Chu Kang. I have passenger onboard as well, while I was travelling there this vehicle B (SLZ4933C) from my opposite direction had drove and cut onto my lane and hit onto my right side mirror, after my vehicle got hit I slow down and stop at the side, lucky behind my vehicle A (SMH3926M) was another vehicle with video clip and sent to me for evidence. I turn back hopefully to find the vehicle B and saw the driver had stop and searching for something and that why I manage to take the vehicle B no plate. I did not manage to exchange particular as the vehicle B driver found his item and just drove off without exchange conversation.

Declaration

We declare the foregoing particulars are true in every respect.
