Brief Details.

On 28/09/2021 at 0030hrs, I received a WhatsApp message from the car rental company stating that they had received a letter from Traffic Police. The letter stated that a vehicle bearing SGU9934C, was involved in an accident on 12/09/2021 at 0003hrs along Mountbatten Road. I was renting the vehicle at that point of time and I recalled that I did drove along Mountbatten Road at that point of time but there was no accident happen at all. I immediately proceed to make a police report.

On 12/09/2021 at about 0000hrs, I was travelling along Mountbatten Road towards KPE directions. I was travelling together with my wife and my son and I was travelling on the extreme left lane. I wanted to enter the filter lane into Stadium Blvd when I heard a vehicle behind us is honking continuously. I slowed down and entered the filter lane into Stadium Road. I stopped slightly further down of the road and came out of my vehicle to make a check at my car surrounding. I then discovered that there is a scratch mark on my rear left side of the car, on the pump petrol cover. However, I could not see the vehicle that horn me anywhere at all and I do not know where the vehicle had went towards which directions.

I wish to state that there is no In-Car Camera on this rental car that I had rented. Both my wife and my son whom is also inside the vehicle, did not felt any amiss or impact at all. I can confirm that the scratches is fresh as I had make a check on the vehicle 1-2hrs prior to the incident. I could not remember the make and model of the vehicle that horned at me and I could not see the carplate number as well. I wish to add that I had U-turn back to where the vehicle had horned me but there is no vehicles stopped around the area. I thought that the vehicle behind me had horned out of goodwill to alert me of some issues with my vehicle.
