Hi Ezlyna,

Nice speaking to you earlier. With references to your email dated 16 Nov 2022, I would like to highlight and bring attention to the following points:

- 1) it has been a year plus than I received this email about third party claim.
- 2) I refute the claim as I have stated in the accident report that I have not hit the vehicle in front.
- 3) My lawyers have already settled all issues recently.
- 4) My workshop claim and insurance report shows no damage to my front at all.
- 5) This could be a insurance fraud.

Please note my accident report and I standby my report. If need be, I will make a police report to certify this.

Lastly, there should be "no" third party claim as I have not hit the vehicle in front and I don't want to have my future insurance tinted by this false claim. Please note important.

Thank you.

Regards
Wen Hui

Dear Sir/Madam,

ACCIDENT INVOLVING GBJ7725U (CHINA TAIPING) AND SHD9953A AT/ALONG CTE ON 22/10/2021

We refer to the above subject matter. We write to inform you that we are the loss adjuster appointed by your motor insurer, China Taiping Insurance (Singapore) Pte Ltd to deal with the third party claim against your policy.

We have received a claim from SHD9953A against your motor insurance policy.

Based on the accident report and accident scenario, we are of the view that liability is not in your driver's favour. Therefore, we shall proceed to negotiate for an amicable settlement of the third party claim at best to avoid further litigation, which would escalate to even more cost. Should you however wish to further discuss on the matter prior to our negotiations and settlement, please contact us within 07 days from the date of this letter.
Thank you.

Best Regards,
