Brief Details.

On 17/10/2021 at about 0215hrs, I was riding my motorcycle FBC3521D along PIE towards Tuas, on lane 3. I do not recall where exactly I was; I only know I was somewhere between Bedok and BKE. One car was entering the expressway from the slip road on the left and hit me on my left side. The impact caused me to fall and roll a few times. The driver and his passenger stopped his car and came to render assistance to me. Police and ambulance came down. I was conveyed in the ambulance to Tan Tock Seng Hospital. I suffered the following injuries: abrasion wounds on both knees, both palms and right abdomen; and dislocation of left shoulder. I was discharged on 18/10/2021 @ 1213hrs and given 14 days of Hospitalization Leave.

I did not manage to note down the car's number plate or the driver's particulars. I also did not manage to observe the damage to my motorcycle. I do not have any video footage of the accident.
