Dear Ms Chew

Thank you for your follow up phone call the other day.

I have attached the photos, as requested. As reported, the damage was slight, mainly on my car's license plate when the 3rd Party vehicle brushed against it momentarily.

I would be grateful if you could please share any updates with me.

Regards
(Lee) Su Yin

Dear Ms Lee,

We acknowledge receipt of your accident report and car video footage.

Based on the accident report and accident scenario, we are of the view that liability is not in your driver's favour as your vehicle was turning out from a minor road while third party was driving along main road. We will therefore proceed to negotiate for an amicable settlement with the Third Party.

As discussed, kindly let us have a copy of your vehicle's damage photos for our necessary action.

Please note that your No-Claim Discount (NCD) (if any) will be affected upon next renewal due to this Third-Party claim. However, if your policy has a NCD protector feature, it will be deemed utilized for this claim and your NCD will be protected.

Thank you.

Dear Officer

As requested, I have lodged an accident report and the acknowledgement from AIG is reproduced below. Is there any further action I need to take?

From what I can recall, there doesn't seem to be any major damage received by either party (mine or the Third Party) - as can be attested to by the carcam video clip attached and police report I made - and I trust that the Third Party has not made an unreasonable excessive claim.

I would be grateful if you could please keep me informed.

Thank you.
