**Brief Details.**

On 11/07/2021 at about 2300hrs I was driving alone in my mother's car (SLK8495C) along Toh Tuck Road. As I was driving, a red color car suddenly came out of a side road of Toh Tuck Place on my left and brushed past my car. The driver did not stop and continued to drive off. I was not injured and I alighted my vehicle to check on the damages. I noticed some scratches on the rear left of my bumper.

A security guard from a nearby condominium (High Gate Condominium) waved to me from across the road to inform me that he witnessed the incident and took down the registration plate of that vehicle (SMJ4611D). At that point, the camera in my car was not charged therefore it was not switched on. I do not have the witness particulars.
