Dear Summer,

Initially, the driver of SKN3207Y agreed to go on private settlement. So, we sent the vehicle to the workshop for repair.

This morning he told us to make TP claim. In this respect, the vehicle which you will be surveying is a after repair vehicle.

Just wonder if we could forward you the before and after repair photos, together with our estimation for you to evaluate, sine the damage is minor.

Please advise.

Regards

Lay Bee
