Brief Details.

On 12/09/2021 at about 0955hrs, I was riding my motorcycle(FBP1259G) along Victoria Street heading towards Lavender MRT. As I was at the traffic light near Bugis Street, the lights turned yellow. As such I slowed down and stopped before the stop line. However one car(SLP9882K), which was behind me, could not stop in time and bang into the back of my motorcycle. I did not fell off my bike but my bike did jerk to the front. No one was injured. The front of his car near the plate number area was dented. My motorcycle was damaged at the rear mudguard and plate number. I went to the doctor afterwards to make a check and was given 1 day mc. I am not injured but the doctor gave me 1 day MC to rest. I am lodging this report for insurance claim purpose. That is all.
