**Describe Circumstances of the Accident**

I was driving my car along carpark behind block 84/85 Bedok North Ave 4. There was a blue Honda car following me. I had to stop my car as there were some other cars causing some jam in front of me. Suddenly the Honda car driver swiftly drove and stopped at the left side of my car. We were very close to each other, less than 1 meter apart. Both of us couldn't move further as there was a small lorry parked at the left side blocking us. So the lorry driver had to come quickly to remove his lorry when the other cars behind started to honk. After which we were able to move to drive off. The Honda car driver stopped. He stopped me at a different area / spot after I have exited the carpark. He said I was overtaking him and his car got scratched due to that. There were no damages for my car. There was also no collision of the cars during this time of the incident.

**Declaration**

We declare the foregoing particulars are true in every respect.
