Brief Details.

On the stated date and time, I was driving my vehicle SMJ9809T along PIE towards Changi before Eng Neo exit. I was travelling along the first lane. As there was a road work in front of me, I slowed down and came to a stop to make sure the road is clear before I move out from first lane. Out of sudden, I felt a huge impact from my rear. When I alighted to check, I realised vehicle SMV1787L had collided onto the rear of my vehicle. The driver of vehicle SMV1787L informed me that there was another vehicle hit onto him causing him to collide with my vehicle. However, the last vehicle did not stop and left the scene.
