Subject: TP REJECTED OUR OFFER AND INSISTED FOR 100%

Dear Ernest,

Further to the below matter.

We had offered to TP repairer 50% of liability as instructed. However, TP rejected our offer and insisted for 100% as they claimed that their client's vehicle was fully stationary at the time of collision and hit by our insured vehicle.

We have reviewed the matter and would like to highlight you that at the time of the impact/collision TP vehicle was fully stopped and even horned at insured vehicle. However, insured reversed with high speed and collided to TP vehicle. Therefore, we are of the opinion that insured is more liable causing the accident.

Kindly advise your further instruction to maintain our stand or revise offer.

Thank you.
