CONTINUATION OF REPORT

Brief Details.

I(Leong Lai Yin of SLS 5728P) dropped my daughter off for tuition yesterday around 3.10pm & driving out slowly from car park along Blk 423 Ang Mo Kio Ave 3.

The path catered for '2 way traffic' & I was driving around 10-15km as to exit out from carpark to main road & as to go home.

The weather was sunny.

Suddenly, the driver(Mr Tan Yu Kiew) of Toyota car(SKC 9645J) just drove out from Lot 22 suddenly & hit my left side of car. I was shocked & stepped brake asap. I wanted to drive to the side as not to block any cars moving out from lots or avoid in coming traffic.

Then realized that I can't even drive my car at all & came down to exam my car, saw that my left side tyre was punctured, side skirt was 3/4 dropped off & front part of hood was badly damaged.

The driver admitted that it was his fault as he wanted to park his car properly.

We exchanged details of personal information & after pictures of both cars. I have asked him to sign as I have written a short note.
He told me to file & claim insurance.

Subsequently, he left the scene while I was waiting for my husband & tow truck.

We left the place around 4.15pm.
