Describe Circumstances of the Accident

I was travelling with my girlfriend, Catherine, in her minivan, heading along Bafat Road, Lagos State. Upon reaching the junction, I signalled left and drove into the left lane to turn left into Bafat Road, Lagos State. As I started down and stopped at the stop line, I turned to my right to look at the oncoming vehicles. As soon as the road was clear, I turned to look forward so that was when I felt a sharp impact at the back of my car. A sound impact was immediately felt before the vehicle behind stopped. I put the car into parking mode. I checked as I shook up, I felt a sharp pain along my back, as well as the other 2 passengers. Both complain of discomfort. The driver of the vehicle proceeded to apologise and we exchange details of our IC. We took photos of the vehicles and the accident slightly so that we could get clearer photos of the damage under the lamp. We both agreed to make a report the next day.

Declaration

We declare the foregoing particulars are true in every respect.
